Tee Off with Summer Driving Safety Awareness

The National Highway Traffic Safety Agency states drunk and drugged driving affects one in three Americans during their lifetime. Despite all prevention efforts the probability of being injured or killed in an impaired driving crash remains unacceptably high. The good news is alcohol and drug-related traffic fatalities are at an all-time low. In 1998, nearly 16,000 people in the U.S. died in alcohol-related traffic crashes, down from more than 25,000 in 1982. The bad news is impaired driving fatalities account for 38 percent of all motor vehicle deaths. That equals about one person injured every two minutes and one person killed every 33 minutes.

The 6th Area Support Group Prevention Action Committee plans to use golf to highlight safe driving awareness and other summer safety issues. Everyone is invited to join the fun during a golf putting activity called Swinging Summer Sense. Locations will include Kelley Barracks Commissary July 28 from noon to 4 p.m.; Robinson CX Aug. 18 from noon to 4 p.m. and Panzer mail room Sept. 15 from noon to 4 p.m.

Reduce the risk, if you drink, don't drive, the price is always too high. Designate a driver, call a cab, ask about the designated driver program at military clubs, find a hotel or for a safe ride home with no questions asked call the Military Police desk, 430-5262/civ. 0711-680-5262. For info call, 6th ASG Alcohol and Drug Control Office, 431-2530/civ. 07031-15-530.

SERVICES

Local Purchase Supply Policy Changes

Effective July 1, USAREUR units and supported customers purchasing non-standard or non-stocked materials through the 6th Area Support Group Supply Support Office are required to annotate unit fund information on local purchase request documents. The form normally used for these transactions is DA Form 3953, Purchase Request and Commitment.

Previously, the Army Stock Fund was used to fund these purchases initially and unit funds reimbursed the stock fund upon delivery of the material. This change eliminates the Army Working Capital Fund as a source of funds for local purchase contracts in support of a single stock fund. For info call, 430-7224/civ. 0711-680-7224.
